

The Ultimate in Weight Room Flooring

INFINITY MAX-PRO

INFINITY MAX PRO is our latest flooring product designed as a solid rolled application specifically for the weight room. Unsurpassed durability and comfort with just the right amount of resiliency to absorb the heavy impacts of dropping free weights directly on the floor, yet is very comfortable to perform plyometrics, agility and stretching exercises. All in a Seamless Appearance.

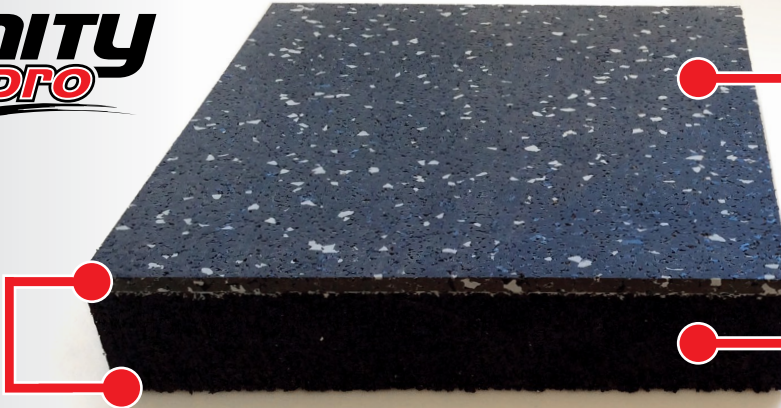

- Available in 1.25" & 1" thickness
- Seamless Appearance
- Non-Slip E.P.D.M. Surface
- G-Max Flush Platforms Available
- Custom Colors & Logos
- Easy to Clean and Maintain
- 10 Year Warranty
