

INFINITY PUZZLELOCK

PuzzleLock tiles stand up to the punishment of fitness and workout areas and protect your existing floors and equipment. It's ideal for use in weight rooms, exercise or cardio areas, home gyms and performance training facilities.

PuzzleLock is engineered so precisely that the intricate interlocking pattern virtually disappears as the tiles are installed. The result is the appearance of a monolithic surface accomplished with the ease of installing interlocking tiles.

Features

28.5" x 28.5" size and 3/8" thickness with interlocking tabs and slots

Dense rubber construction protects existing floors and equipment in commercial or residential applications

No adhesives required. Our puzzle edges are the most accurate and tightest fitting in the industry. Perfect puzzle edges produce a seamless appearance and eliminate dirt and buildup

Easy to cut or trim with standard utility knife

Saves installation cost (from \$0.75 to \$2.00 per sq ft) compared to permanently "glued-down" rubber flooring

Excellent slip resistance in wet or dry conditions

Seven standard colors - solid black and (6) speckled options including: red, blue, grey, green yellow, blue/grey

Made in the USA from premium grade recycled tire rubber and colored rubber granules

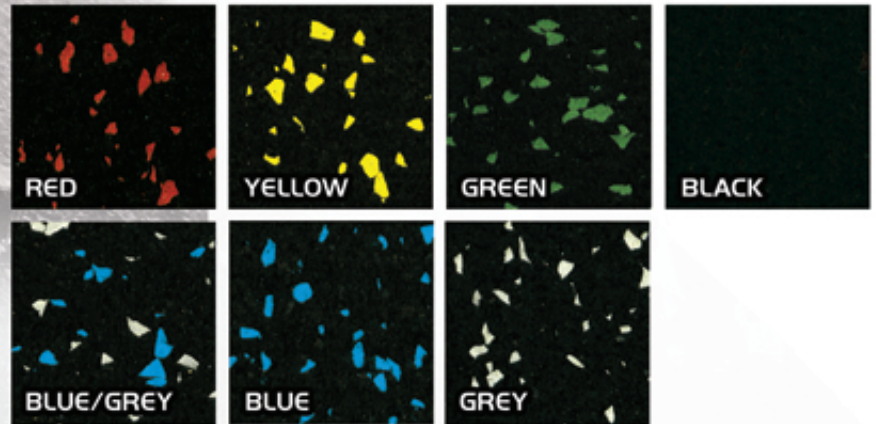

Industry Leading 5 yr. Warranty (compared to standard 3yr.)

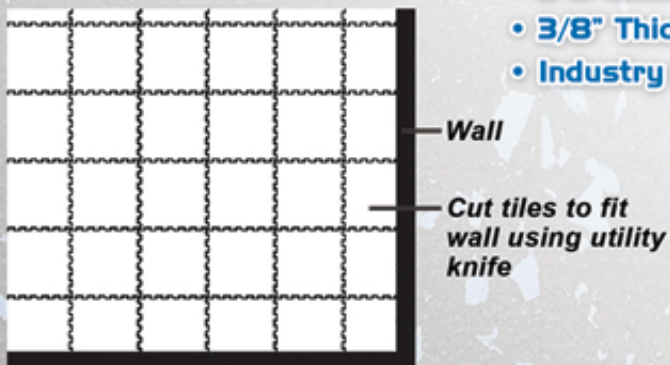

Installation

PuzzleLock tiles can be installed easily over nearly any smooth surface including concrete, asphalt, wood or tile. No special tools are required. Transition strips are available.

Standard Colors

 • Check website for additional colors.

"Wall-to-Wall" Layout

- 17% color fleck (Industry Standard is only 10%)
- 3/8" Thickness (9.5mm)
- Industry Leading 5 year Warranty
